

AGRIS SĀRS' PAINTINGS GALLERY

IMG_6574.JPG

The artist Agris Sārs has been passionate about painting for more than 30 years, the works are mainly painted in oil technique, but the dominant theme of the paintings is natural landscapes. The workshop is located in the yard of a private house, where a small house and a farm building built have been transformed into a creative workshop and a painting gallery. The owner works at the school - he is director of a local elementary school in Kusa.
